

Constitution & By-Laws Report Cabinet Meeting Nov. 20, 2011 CNIB

1. The vote on what type of constitution and by-laws and policies will be made at this cabinet meeting. 2 proposals have been suggested

1; from 2nd VDG Bill Baux was to copy of actual one that is suggested from LCI for a district

2. The other is from me that has the present one streamlined constitution, a more streamlined set of by-laws and finally a policy manual.

In the future the constitution and by-laws should change very little. With the addition of the Policies they can be easily changed at each cabinet meeting.

The decision will be the biggest we have had about the constitution since it was formulated.

2. I have taken the campus club formation session at the CNIB on Nov. 13. I assisted at the meeting at the U of Calgary Campus Nov 13 and Nov. 15. Very little results.

3. On Nov. 17 I along with PDG Roger Geonzon made a presentation at the Golden Age Club to a group of Hispanics about forming a Latin American lions Club. There were 6 countries (18: Mexico, Chile, Argentina, Honduras, Nicaragua and Colombia represented. There was certainly a wide cross section of Latin America.

I have no doubts about this group forming a new club under the dynamic push from Pepe and Lydia Siapno of the Wildrose Lions Club. Basically this is their last formal meeting of this group until March.
