

For Cabinet Meeting November 20, 2011

Place : CNIB

Time: 1:00 - 3:00

Governor's Report

Welcome to our 2nd Cabinet Meeting.

I thank to all of you, for coming here this afternoon.

It is exactly 136 days had passed since I commit myself with the rest of the district Governors from 206 countries around the world and today is exactly the 99th days when all of us Cabinet officers had took oath, promised, and commit ourselves to serve in front of the Judge Brian Stevenson, PIP. I do believe that we will have a successful lionistic year. I believe and trust your capabilities as Service Leaders to our neighbors, brothers, and sisters in the whole world.

Although with some difficulties in my duties, I looked at it as a challenge, an opportunity to be working with you, visiting and observing the Clubs and able to meet fellow lions from different clubs, and enjoy their hospitality.

I salute to all the Lions Clubs, I have had the opportunity to observe and see on how they are looked up by the people in their respective community. I noticed that there is no need for PR in the Rural areas for Lions are known to be always there when needed. They are known to Service Leaders in their community. They are not just giving money away but also give their time and effort, to the community; sometimes to busy that they don't have enough time to go beyond their community.

To the City Clubs, I can not imagine on how the Lions are able to cope, busy working, on their job, their family and yet able to help and volunteer their time and effort when needed and how dedicated lions they are.

It is, only thru your dedication, lion member's dedication that will make this clubs, this district , to be successful.

My Goals this year which I always be in my visitation message are:

1. Membership growth to have more hands to reach out beyond our community.

Encourage each club to commit to increase their membership

To have at least 1 new club this year.

October 27th, we have the approval for Campus sExtension Workshop.

Nov. 13th - we have Campus extension workshop

Nov. 14, - display of the Campus Lions Information with follow up

further report will be done by 2nd VG Bill Baux

Encourage branch club if necessary rather than wait until qualified to be Chartered.

Encourage orientation - It is easier to bring the trainer to the club or zone than

To bring the whole club to the trainer.

I had inducted quite a number of new Lions in the district on my visitations

2 in Olds lions club

1 in Wildrose lions Club
Missed to induct on in
More Information will be done by PDG John Goodrich

2. Enhance, improved, and developed leaders in the district.

Leadership training program

Encourage each club to have at least one Certified Guiding lion - this can

Enhance, refine their capabilities as a leader. - done on October 2nd and had

Produced 12 CGL on that day.

Recertification for Guiding Lions can be done on line

CEP still in the process for there are no Facilitators available?

Train more trainers and Facilitators

Lion Jack Busst, GLT coordinator is on his Training Seniors Leadership training

At this time.

3. Tree Planting

Each club are very receptive to the Tree planting.

Lion Ray from Didsbury Lions Club had come up also the idea that if each member of

The district. About 1500 and more, will plant at least one tree in their backyard ,

And nurture this tree and plant in the Spring time.

I had also attended the District 37-L convention and had encourage each attendee

To take one seedlings to plant.

Strathmore - 450 trees

Foothills promised 100 or more

All the others, plan to plant 30 trees or more

Filipino Lions. \$1000.00 worth of trees.

4. Pet Project. - LCIF. global awareness.

Be it known that the contribution given from the club to LCIF will be credited to their

Club and if qualified for a Melvin Jones, such will be given to their deserving lion

Member of their club.

Thanks to the clubs who had supported the Governor's Pet Project

(additional)

Olds lions Club

Cheadle Lions Club

Champion

I encourage them to report their extraordinary projects or service they have done to the
Lions Life Line as U Make A Difference. I will not promise as to the award, however, I will see to it that
they will be recognized by the district.

Other things done:

1. Attended the USA-CND Leadership forum - in September. Wherein the GMT/GLT

Was emphasized. Tree planting is well accepted globally by the Lions all over the World.

2. GMT/GLT seminars done in August in our district, chaired by Judge Brian Stevenson Area Coordinator.
3. Attended the council meeting in October at Lethbridge and the resolution was passed For Student in regular clubs and the Campus Lions club members will have 1/2 of the MD dues.

I hope each one of the cabinet officers is enjoying on what he/she is doing and will continue the good work .
